

An Exelon Company

Bringing value to our communities

200

YEARS OF SERVICE, GROWTH AND INNOVATION

Founded:	Employees:	Gas customers:	Electric customers:
1816	3200	670,000+	1.28M+

BGE: The Largest Gas and Electric Provider in Maryland

Since 1816, BGE has brought excellent service to central Maryland while supporting the state's growth into a national economic and educational leader. We continue to invest and innovate to bring Smart Energy to the region and meet the challenges of the next 200 years.

Committed to a First-Class Customer Experience

GIVING CUSTOMERS CONVENIENT ACCESS, POWERFUL TOOLS AND INNOVATIVE PROGRAMS

Improved system reliability and customer offerings while keeping rates stable compared to other household costs. Smart meters provide online tools for managing energy use.

- ▶ "Energy Savings Days" allow customers to earn bill credits
- ▶ Service can be started or stopped remotely
- ▶ BGE can remotely determine if a location has been restored after outage situations, saving time

4.3

BILLION+ kWh saved since 2008 through the Smart Energy Savers Program®

Dedicated to Supporting Our Communities

WE ARE AN ACTIVE PART OF OUR COMMUNITY

26,000+ employee volunteer hours each year

389+ nonprofit organizations served
