

Bill paying made easy.

We've made your BGE bill simple and easy to understand thanks to customer feedback. Now you can receive text notifications when your bill is ready! You can even select your own alert preferences to make sure your notifications go where you want them to go. To get started, visit **BGE.COM/MyAccount** and add the phone number of your choice under the *Notifications and Preferences* section.

Want to avoid potential mail delays? **Here are three secure ways to pay your bill:**

BGE app: Download the mobile app through the App Store or Google Play. Review and edit payment details on a single screen, view your current bill, review your account history, or sign up for AutoPay.

Online: Visit **BGE.COM/MyAccount**, select *My Bill & Usage* and then *Pay My Bill*.

Pay-by-Phone: Call Paymentus at **833.209.5245***
**Fees may apply.*

Never miss a payment because of mail delays. Visit **BGE.COM/MyAccount** to get started.

4 ways to stay warm & save money this winter.

ADJUST THERMOSTAT

For maximum savings at home this winter, try to set your thermostat no higher than 68°F and seal up drafts to keep the heat in.

SET WATER HEATER TO 120°

Reduce hot water usage by installing faucet aerators and efficient flow showerheads. Adjust your hot water heater to 120° or the lowest setting.

CONSERVE WITH LIGHTING

Because long winter nights can mean more "on" hours for your outdoor lighting fixtures, putting your outdoor lamps on a motion sensor can reduce your energy and costs.

KEEP THE AIR MOVING

Cut heating costs by up to 15% during the winter when you program your fan to spin clockwise to circulate cool air flow. Flip the switch at the base of your fan and start saving!

Inspiring the Next Generation of STEM Superheroes.

Bibiana Valdes Hernandez

BGE's "Energy to Learn" program is designed to encourage elementary school students' interest in future careers in science, technology, engineering, and math (STEM). From inspiring the students of today, to creating opportunities for current professionals, BGE actively works to create a pipeline to high-demand jobs. Want to inspire your child or student this year? Visit BGE.COM/StemSuperheroes to learn about ten outstanding employees who are superheroes in their fields.

Bibiana encourages those interested in STEM careers to explore the array of job opportunities available that require a variety of skills, both technical and non-technical. She has seen first-hand how STEM careers can lead to rewarding opportunities and can help expand one's knowledge.

HOLIDAY HOURS & SAFETY.

BGE's business office will be closed on Monday, January 17. However, if you have an electric or natural gas emergency, please call us immediately at **800.685.0123**, as emergency service is available 24 hours a day, every day of the year.

Should you experience a power outage, please notify BGE as soon as possible in one of the following ways:

Use the **BGE app**

Visit **BGE.COM**

Text "**OUT**" to **MYBGE** (69243)

Call **877.778.2222**

Give the gift of warmth.

When you contribute to the Fuel Fund of Maryland, you help families in need with their heat and home utility costs. Please use the enclosed postage paid envelope to donate. There are **two easy ways to donate** to the Fuel Fund of Maryland at any time:

- 1 Enroll in the Dollar Donation Fund on **BGE.COM/HowToHelp** and we will add a donation to your bill every month with the amount of your choice.
- 2 Add a little extra for the Fuel Fund of Maryland when you pay your BGE bill online through **BGE.COM**.

For more information, visit **BGE.COM** and **FuelFundMaryland.org**.
