

Private Area

Private area lighting is unmetered outdoor lighting on private property, which is ideal for any residential or commercial area where additional security or aesthetic appeal is desired.

From new construction to renovations, expansions and upgrades, BGE offers a variety of lighting options to illuminate and beautify your property from dusk to dawn. Additionally, we can assist with the design and handle all aspects of installation and maintenance. The reasonable monthly fees can be billed to your existing BGE account, or bill separately for your convenience.

- One consolidated bill
- Standard construction costs included*
- All energy costs and maintenance costs included in monthly fee
- Expert maintenance service available and on call 24 hours a day, seven days a week
- Quality, utility grade materials and workmanship
- Maintenance of all lighting equipment, including wire and cable, for the duration of your contract

**Additional charges may apply for non-standard construction*

Changeout Program

Refresh your existing BGE Private Area Lighting system with a new lighting system. With little cost, BGE can replace your current lights with updated fixtures.
